

4th Grade Summer Reading List

(for students entering into 4th Grade)

Did you know that students who don't read over the summer can have a 2-3 month loss in reading ability? The goal is to read 20 minutes every day!

Listed below is a suggested list of books to read over the summer.

- Choose **two** books from the list below or you can choose **any two chapter books** you'd like. Try and get something close to your reading range. You can use your Lexile range from your Milestones test to help you.
- Then, complete the "Amazon Listing Novel Project" (on the back) for **each** book on a separate piece of paper. Don't just copy a review off of Amazon.com. Do your own work!
- Turn in your Amazon projects to Dr. Scandrett or Mrs. Bryan by Friday, August 5, 2016.
